The stage settings were the handsomest that have graced Bryan hall for many a day, and the credit of this is due to Mr. Haynic of the Empire Furniture company for the use of furniture and to Mr. Kutsch-back for the use of palms used for decora-tions.

back for the use of palms used for decorations.

Frof. Beach received the thanks of the entire cast and those interested in the production for his assistance as stage manager. The music produced by the High school orchestra was extremely sweet and greatly appreciated.

It should be added that the specialities rendered by Miss Reiss Harris in a recitation, Miss Erms Franks in a serpentine dance, and Miss Freda Belle Conen in a coop song were well received and much enjoyed.

For County Clerk.

In this tesue Mr. Ed P. Dupree announces his candidary for re-election to the office of county clerk of Harris county.

Mr. Dupree hardly needs an introduction at. Jupees hardly heads an introduction to the people of Harris countr, as few people in the country are known by more people. He is serving his fourth term as country clerk and the system he has inaugurated in that office is highly commended by not only the bar of Houston, but almost unamimonally by those who at any time have occasion to refer to the records.

He was born in the State of Texas and has been a resident of Houston since he was a child, and his repeated election to the office of county clerk is an indication of the esteem in which he is held by the voters of this county.
